FOR IMMEDIATE RELEASE · ABILENE, TEXAS

# CITEX supports Project Frontier, the Vantage Data Centers AI campus in Abilene

Independent third-party inspection and QA/QC services for civil, concrete, and structural construction on one of the largest hyperscale AI data center developments in the United States.

**ABILENE, TEXAS.** CITEX provided independent third-party inspection and quality assurance/quality control services for Project Frontier, Vantage Data Centers' approximately $25 billion hyperscale AI campus in Abilene, Texas.

Scope included earthwork, reinforcing steel, formwork, cast-in-place concrete, and structural steel inspection throughout critical phases of construction.

## ABOUT CITEX

CITEX is a civil engineering and technical assurance firm and a CSI Global company, headquartered in Houston, Texas, with an accredited construction materials testing laboratory in Sugar Land. CITEX provides materials testing, special inspections, geotechnical services, and civil engineering for public and private clients.

Materials testing · Special inspections · Geotechnical · Civil engineering
